To the Planning Commission,
As a resident of the city of Perris, I am writing to express my strong support for the Harvest Landing project. This development is a much-needed addition to our community. The project will not only create numerous construction jobs but will also provide many permanent employment opportunities for our city's residents.
Perris is in desperate need of new retail and dining options, and the proposed businesses, including a Sam's Club, Dick's Sporting Goods, Sprouts, Buffalo Wild Wings, Olive Garden, and the city's first Petco, would be a welcome addition to the area.
Thank you Bradley Gamboa
