Subject: Harvest landing

Dear Planning Commission,

My name is [Chrystian love], and I'm a resident of Perris. I wanted to share my support for the Harvest Landing project because I truly believe it would make a positive difference in our community.

This project wouldn't just bring construction jobs — it would also create many permanent positions that local residents like myself could really benefit from. Perris has grown a lot over the years, but we still don't have enough shopping and dining options close to home.

Having places like Sam's Club, Dick's Sporting Goods, and Sprouts would make life much more convenient for families here. I'd also love to see restaurants like Buffalo Wild Wings and Olive Garden come to our city, along with a Petco — something Perris doesn't currently have.

I care about the future of our city, and I think Harvest Landing would be a great step forward. Please vote yes on the project.

Thank you for your time and consideration,

[Chrystian love]
