Subject: Harvest landing project

To the Planning Commission,

As a resident of the City of Perris, I want to express my full support for the Harvest Landing project. This is exactly the kind of development our community needs.

Not only will it bring much-needed construction jobs in the short term, but it will also create many permanent jobs for local residents. It would be great to see stores like Sam's Club, Dick's Sporting Goods, Sprouts, and restaurants such as Buffalo Wild Wings and Olive Garden finally come to Perris.

We've been waiting a long time for more shopping, dining, and job opportunities close to home — and even something as simple as having our first pet store, like Petco, would be a big deal for our community.

Please vote **yes** on the Harvest Landing project. It would make a huge positive difference for the people who live and work here.

Sincerely,
Daniel Dohan
Resident of Perris
