To the City Council,

My name is Derek Cervantes, and I am a proud resident of the City of Perris.

I want to express my strong support for the Harvest Landing Project. This development is exactly what Perris needs to continue growing and improving. It will create valuable construction and long-term jobs for our residents while bringing more shopping, dining, and entertainment options to our community.

Stores and restaurants like Sam's Club, Dick's Sporting Goods, Sprouts, Buffalo Wild Wings, and Olive Garden would be exciting additions that many residents have been waiting for. The inclusion of a Petco, which would be the city's first pet store, is another great benefit for local families and pet owners.

I encourage the Council to vote YES on the Harvest Landing Project and help move Perris forward.

Thank you for your time and consideration,

Derek Cervantes
