

**RESOLUTION NUMBER 5496**

***A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PERRIS, CALIFORNIA, DECLARING THAT PUBLIC INTEREST AND NECESSITY REQUIRE ACQUISITION OF FEE SIMPLE INTEREST IN A PORTION OF THE PROPERTY KNOWN AS ASSESSOR'S PARCEL NOS. 303-140-001 AND 303-140-002***

**WHEREAS**, for the public purposes set forth herein, the City of Perris, California is authorized to acquire property through the exercise of eminent domain pursuant to Section 19 of Article 1 of the California Constitution, Section 1240.010 through 1240.050 of the California Code of Civil Procedure, and Sections 37350, 37350.5, 37353, and 40404 of the California Government Code; and

**WHEREAS**, the “Project” for which the real property described herein to be acquired is the widening and improvement of Redlands Avenue, which generally consists of the widening of Redlands Avenue between Ramona Expressway and Morgan Street (referred to herein as the “Project”); and

**WHEREAS**, in order to carry out and make effective the principal purpose of the Project, it is necessary for the City of Perris to acquire street right-of-way in fee simple (“Interest”) in a portion of certain privately-owned real property located on the southeast corner of Ramona Expressway and Redlands Avenue, in the City of Perris, County of Riverside, California, Assessor’s Parcel Nos. 303-140-001 and 303-140-002; and

**WHEREAS**, the portion of the property in which the City seeks to acquire the fee simple interest for street right-of-way is described in Exhibit “A” which is attached hereto and incorporated by this reference, and depicted on the diagram attached hereto as Exhibit “B” which is incorporated by this reference (hereinafter the “Property”); and

**WHEREAS**, on or about March 29, 2017 the City made a written offer to acquire the Interest to the record owners of the Property at an amount that was not less than the appraised fair market value in compliance with Government Code Section 7267.2(a), and the owners of the

Property have not accepted said offer or otherwise conveyed the Interest to the City as of the date of this Resolution; and

**WHEREAS**, on April 29, 2019, a Notice of Intent to Adopt a Resolution of Necessity for Acquisition of the Interest in certain real property identified as Assessor's Parcel Nos. 303-140-001 and 303-140-002 (a copy of which is attached hereto as Exhibit "C" and incorporated by this reference) was mailed to all persons whose names appear on the last equalized County Assessment Roll as having an ownership interest in the Property, and to the addresses appearing on said Roll, which Notice of Hearing advised said persons of their right to be heard on the matters referred to therein on the date and at the time and place stated therein; and

**WHEREAS**, the hearing that was the subject of said Notice of Hearing was held on May 14, 2019, at the time and place stated therein and all interested parties were given an opportunity to be heard on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in a manner which is most compatible with the greatest public good and the least private injury;
- (c) Whether the Interest proposed to be acquired is necessary for the Project;
- (d) Whether an offer meeting the requirements of Government Code Section 7267.2 has been made to the owner or owners of record;
- (e) Whether all other prerequisites for the exercise of eminent domain to acquire the Interest have been met; and

**WHEREAS**, the City Council, as a result of such hearing, has determined that the public health, safety, and welfare require the City to acquire the Interest in the Property for the stated purposes; and

**WHEREAS**, environmental impacts of this Project were addressed in the Environmental Impact Report for the Rider Distribution Center, certified on March 31, 2009.

**NOW THEREFORE, BE IT RESOLVED**, that the City Council hereby does find, determine, and declare based upon evidence presented to it as follows:

**Section 1.** The staff report presented regarding this matter at the May 14, 2019 hearing is incorporated herein by this reference. The facts referenced in this Resolution and the staff report, and specifically the recitals above, are found to be true and are incorporated herein by this reference. The findings made by the City Council herein are supported by substantial evidence contained in the record of this proceeding.

**Section 2.** The street right-of-way to be acquired in fee simple consists of a portion of the Property located within the City of Perris, County of Riverside, State of California, Assessor's Parcel No. 303-140-001, comprising a total of 10,157 square feet, and Assessor's Parcel No. 303-140-002, comprising a total of 11,086 square feet, is described above and in Exhibit "A" and depicted in Exhibit "B".

**Section 3.** The public interest, convenience, and necessity require the Project to accommodate growth and development as anticipated in the Land Use Element. Currently, Redlands Avenue consists of three lanes between Morgan Street and Ramona Expressway. The Project will rehabilitate existing pavement, re-stripe and widen Redlands Avenue five to ten feet along the east side of the roadway to provide for one continuous turn pocket. The existing signal at Redlands Avenue and Ramona Expressway will also be modified to match new improvements. The Project will improve traffic safety and emergency vehicle response times.

**Section 4.** The Project is planned in the manner which will be the most compatible with the greatest public good and the least private injury. Redlands Avenue is designated as a Secondary Arterial in the Circulation Element of the City's General Plan. Widening the existing roadway is the only practical means of achieving the necessary traffic capacity. Re-routing Redlands Avenue would be cost prohibitive and have a greater impact on private property owners because more private property would need to be acquired than is necessary for widening the existing roadway.

**Section 5.** The acquisition of the Interest is necessary for the Project because without the Interest, the Project cannot be constructed. The Interest is part of the ultimate width of Redlands Avenue pursuant to the Circulation Element of the City's General Plan. Acquisition of the Interest is expressly authorized by Section 19 of Article 1 of the California Constitution,

California Code of Civil Procedure Sections 1240.010 through 1240.050 and Government Code Sections 37350, 37350.5, 37353, and 40404.

**Section 6.** The offer required by Government Code Section 7267.2 has been made to the owners of record of the Property, by way of letter dated March 29, 2017, and the owner of record of the Property has not accepted the City's offer.

**Section 7.** The City hereby declares its intent to acquire the Interest in a portion of the Property described in Exhibit "A" in the City's name, in accordance with the provisions of the law of the State of California and finds that all conditions, statutory requirements and prerequisites to the exercise of eminent domain to acquire the Interest described herein and the Project have been complied with by the City.

**Section 8.** The law firm of Aleshire & Wynder, LLP, is hereby authorized and directed to prepare, institute, and prosecute in the name of the City such proceedings, in the Court having proper jurisdiction thereof, as may be necessary for the acquisition of the Interest in a portion of the Property in accordance with the provisions of the California Eminent Domain Law and the Constitution of California. Said counsel are also authorized and directed to obtain any necessary order of the Court granting the City the right of immediate possession and occupancy of the Property.

Re: APN: 303-140-001 and 303-140-002  
Property: Southeast corner of Ramona Expressway and Redlands Avenue,  
Perris, CA  
Subject: Resolution of Necessity

Dear Property Owner:

On March 29, 2017, the City of Perris (the “City”) made an offer to purchase a portion of the properties identified as Assessor’s Parcel Numbers 303-140-001 and 303-140-002 in the City of Perris, California, located at the southeast corner of Ramona Expressway and Redlands Avenue. The City reiterates its previous offer to purchase said Interests for \$ [REDACTED] subject to the conditions stated in the offer.

You are also hereby notified that the City intends to consider the adoption of a resolution of necessity authorizing acquisition of said Interests by eminent domain. The City’s governing body will consider that resolution at a meeting to be held at the following time and place:

**Date:** May 14, 2019  
**Time:** 6:30 p.m.  
**Location:** City of Perris, City Hall, Council Chambers, 101 North D Street,  
Perris, California

You have the right to appear at the meeting and be heard on the following issues:

1. Whether the public interest and necessity require the project;
2. Whether the project is planned and located in the manner that will be most compatible with the greatest public good and the least private injury;
3. Whether the property sought to be acquired is necessary for the project;
4. Whether the offer required by Section 7267.2 of the *Government Code* has been made to the owners(s) of record; and

5. Whether the offer required by Section 7267.2 of the *Government Code* was made in the form and substance required by law.

NOTICE: If you fail to file a written request to be heard at the hearing within 15 days after the date of this letter, then the City may decide not to hear or consider any evidence which you may have to present. Please also be advised that, if you do not appear and present information to the City at the hearing, then you may be precluded from later challenging the City's authority to acquire portions of the property through its use of the power of eminent domain.

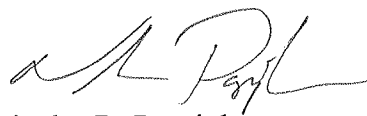

Neither the pendency of the City's consideration of the resolution of necessity, nor the initiation of formal eminent domain proceedings, in any way prevents further negotiations from occurring for the acquisition of said Interests, and the City will be most willing to continue such negotiations.

If you have any comments or questions, please do not hesitate to contact me at (949) 223-1170 or Richard Belmudez, City Manager at (951) 943-6100.

Thank you for your cooperation in this matter.
