AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PERRIS, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2023-1 (ROCKVIEW HEIGHTS) OF THE CITY OF PERRIS AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN SAID DISTRICT

WHEREAS, on January 10, 2023, the City Council (the “Council”) of the City of Perris, California (the “City”) adopted Resolution No. 6097 (the “Resolution of Intention”) declaring its intention to form Community Facilities District No. 2023-1 (Rockview Heights) of the City of Perris (the “District”) pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the Government Code of the State of California (the “Act”); and

WHEREAS, on February 28, 2023, and in accordance with the Act, the Council opened a public hearing after providing all notice required relating to the formation of the District, and setting forth the rate and method of apportionment and manner of collection of the special tax to be levied within the District, which will be used to pay principal and interest on bonds proposed to be authorized within the District, the proceeds of which will be applied to finance (1) the purchase, construction, modification, expansion, improvement or rehabilitation of certain real or other tangible property, including all furnishings, equipment and supplies related thereto; (2) the payment of development and other fees and the acquisition or construction of public facilities (collectively, the “Facilities”), which Facilities have a useful life of five years or longer; and (3) the incidental expenses to be incurred in connection with financing the Facilities and forming and administering the District, as further described in the Resolution of Intention; and

WHEREAS, at the public hearing, all persons not exempt from the special tax desiring to be heard on all matters pertaining to the formation of the District, including the boundaries of the District, the special tax, and the Facilities, were heard and a full and fair hearing was held, and such matters were not precluded by a majority protest; and

WHEREAS, on February 28, 2023, following the close of the public hearing, the Council adopted a resolution establishing the District (the “Resolution of Formation”) and a resolution determining the necessity to incur bonded indebtedness of the District (the “Resolution to Incur Bonded Indebtedness”) each of which called a consolidated special election on February 28, 2023, within the District on a proposition relating to the levying of special taxes, the incurring of bonded indebtedness and the establishment of an appropriations limit (the “Special Election”); and

WHEREAS, on February 28, 2023, the Special Election was held within the District at which the qualified electors of the District approved by more than a two-thirds vote the propositions labeled on the official ballot as “Proposition” which generally authorized the levy of special taxes within the District, for the purposes described in the Resolution of Intention

and the issuance of bonded indebtedness for the District as described in the Resolution to Incur Bonded Indebtedness; and

WHEREAS, on February 28, 2023, following its determination that the requisite two-thirds of votes cast at the Special Election were in favor of levying the special taxes, the City Council directed the City Clerk to execute and cause to be recorded in the office of the County Recorder of the County of Riverside a notice of special tax lien in the form required by the Act and Division 4.5 of the California Streets and Highways Code pursuant to Section 53328.3 of the Act.

THE CITY COUNCIL OF THE CITY OF PERRIS, IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2023-1 (ROCKVIEW HEIGHTS) OF THE CITY OF PERRIS, DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. The Council finds the above recitals are true and correct and incorporated herein by this reference.

Section 2. By the passage of this Ordinance, the Council authorizes the levy of a special tax within the District at the maximum rate in accordance with the rate and method of apportionment for the District set forth as Exhibit “A” to the Resolution of Formation, and for reference purposes is attached hereto as Exhibit “A” and incorporated herein by this reference (the “Rate and Method”).

Section 3. The Council or its designee is hereby further authorized to determine, by ordinance, resolution, or by other action if permitted by then applicable law, on or before August 1 of each year, the specific special tax to be levied for the next ensuing fiscal year on each parcel of land in the District. The special tax to be levied shall not exceed the maximum rates set forth in the Rate and Method, but the special tax may be levied at a lower rate. The City Clerk is authorized and directed to file with the county auditor on or before the 10th day of August of each tax year a certified copy of such ordinance or resolution accompanied by a list of all parcels subject to the special tax levy with the tax to be levied on each parcel.

Section 3. Properties or entities of the state, federal or other local governments shall be exempt from the above-referenced and approved special taxes only to the extent set forth in Section 8 of the Rate and Method, and otherwise shall be subject to the tax consistent with the provisions of Section 53317.3 and 53317.5 of the Act in effect as of the date of adoption of this Ordinance.

Section 4. All of the collections of the special taxes pursuant to the Rate and Method shall be used only as provided for in the Act and Resolution of Formation. The special taxes shall be levied within the District only so long as needed to accomplish the purposes described in Resolution of Formation.

Section 5. The special taxes shall be collected pursuant to the Rate and Method from time to time as necessary to meet the financial obligations of the District on the secured real property tax roll in the same manner as ordinary ad valorem taxes are collected, or other procedures as may be adopted by the Council. The City Manager, or his or her designee, is

hereby authorized and directed to provide or to cause to be provided all necessary information to the auditor/tax collector of the County of Riverside and to otherwise take all actions necessary in order to effect proper billing and collection of the special taxes, so that the special taxes shall be levied and collected in sufficient amounts and at times necessary to satisfy the financial obligations of the District in each fiscal year until the bonds issued on the security of such special taxes (the "Bonds") are paid in full, the Facilities have been paid for, and provision has been made for payment of all of the administrative costs of District. The special taxes may be subject to the same penalties and the same procedure, sale and lien priority in cases of delinquency as provided for ad valorem taxes as such procedure may be modified by law or this City Council from time to time.

Notwithstanding the foregoing, the City Manager or the Finance Director may collect, or cause to be collected, one or more installments of the special taxes by means of direct billing by the District of the property owners within the District, if, in the judgment of the City Manager or the Finance Director, such means of collection will reduce the administrative burden of the District in administering the District where it is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Whether the special taxes are levied in the manner provided in the first or the second preceding paragraph, the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments.

Section 6. As a cumulative remedy, if any amount levied as a special tax for payment of bond interest or principal of any Bonds of the District, together with any penalties and other charges accruing under this ordinance, are not paid when due, the Council may, not later than four (4) years after the due date of the last installment of principal of the Bonds, order that the same be collected by an action brought in the superior court to foreclose the lien of such special tax.

Section 7. This Ordinance relating to the levy of the special taxes within the District shall take effect immediately upon its final passage in accordance with the provisions of Section 36937(a) of the Government Code, and the specific authorization for adoption is pursuant to the provisions of Section 53340 of the Government Code.

Section 8. The Mayor shall sign this Ordinance and the City Clerk shall attest to the Mayor's signature and then cause the same to be published within fifteen (15) days after its passage at least once in a newspaper of general circulation published and circulated in the City.

Section 9. The City Clerk shall certify as to the passage and adoption of this Ordinance and shall cause the same to be posted at the designated locations in the City as required by law, and is hereby directed to perform all other acts which are required by the Act, this Ordinance or by law in order to accomplish the purpose of this Ordinance.

ADOPTED, SIGNED and **APPROVED** this 28th day of February, 2023.

B. Backup Special Tax for Developed Property and Provisional Welfare Property

The Backup Special Tax for Developed Property and Provisional Welfare Property commencing in Fiscal Year 2023-24 shall be \$14,816 per Acre. Each July 1, commencing

July 1, 2024 the Backup Special Tax for Developed Property and Provisional Welfare Property shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

For the purpose of calculating the Backup Special Tax, the land area applicable to a Condominium shall be computed from the Acreage of the Lot on which the Condominium is located, with the Acreage for such Lot allocated equally among all of the Condominiums located or to be located on such Lot.

C. Maximum Special Tax for Developed Property and Provisional Welfare Property

The Maximum Special Tax for Developed Property and Provisional Welfare Property shall be the greater of the Assigned Special Tax for Developed Property or the Backup Special Tax for Developed Property and Provisional Welfare Property.

D. Maximum Special Tax for Provisional Property and Undeveloped Property

The Maximum Special Tax for Provisional Property and Undeveloped Property commencing in Fiscal Year 2023-24 shall be \$14,816 per Acre. Each July 1, commencing July 1, 2024, the Maximum Special Tax for Provisional Property and Undeveloped Property shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

4. METHOD OF APPORTIONMENT

For each Fiscal Year, commencing Fiscal Year 2023-24, the CFD Administrator shall levy the Special Tax on all Taxable Property in accordance with the following steps:

Step 1: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property in an amount up to 100% of the applicable Assigned Special Tax as necessary to satisfy the Special Tax Requirement;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement after Step 1 has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property;

Step 3: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the Special Tax amount determined in Step 1 shall be increased Proportionately on each Assessor's Parcel of Developed Property up to 100% of the Maximum Special Tax for Developed Property;

Step 4: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Welfare Property up to 100% of the Maximum Special Tax for Provisional Welfare Property;

Step 5: If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the Special Tax shall be levied Proportionately

on each Assessor's Parcel of Provisional Property up to 100% of the Maximum Special Tax for Provisional Property;

Notwithstanding the above, under no circumstances will the Special Tax levied in any Fiscal Year against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased as a result of a delinquency or default in the payment of the Special Tax applicable to any other Assessor's Parcel within CFD No. 2023-1 by more than ten percent (10%) above what would have been levied in the absence of such delinquencies or defaults.

5. COLLECTION OF SPECIAL TAXES

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Annual Special Taxes.

6. PREPAYMENT OF SPECIAL TAX OBLIGATION

A. Prepayment in Full

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. The following definitions apply to this Section 6:

"CFD Public Facilities Costs" means \$6,500,000 or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed under the Act and financing program for CFD No. 2023-1, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more Bonds (except refunding bonds).

"Construction Fund" means the fund (regardless of its name) established pursuant to the Indenture to hold funds, which are currently available for expenditure to acquire or construct the facilities or pay fees authorized to be funded by CFD No. 2023-1.

"Future Facilities Costs" means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other designated fund that are expected to be available to finance CFD Public Facilities Costs.

"Outstanding Bonds" means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax prepayments.

"Previously Issued Bonds" means all Bonds that have been issued prior to the date of prepayment.

The Special Tax Obligation applicable to an Assessor's Parcel of Taxable Property for which a Building Permit has been issued or is anticipated to be issued may be prepaid and the obligation to pay the Special Tax for such Assessor's Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor's Parcel only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment or the delinquent special taxes are paid off concurrently with the prepayment to the satisfaction of the CFD Administrator. An owner of an Assessor's Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor's Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date for the CFD No. 2023-1 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated for each applicable Assessor's Parcel or group of Assessor's Parcels as summarized below (capitalized terms as defined below):

Bond Redemption Amount
plus Redemption Premium
plus Future Facilities Prepayment Amount
plus Defeasance Amount
plus Prepayment Administrative Fees and Expenses
less Reserve Fund Credit
less Capitalized Interest Credit
Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined in Step 14 below) shall be calculated as follows:

Step No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, determine the Maximum Special Tax. For Assessor's Parcels of Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the Building Permit which has already been issued for that Assessor's Parcel.
3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total expected Maximum Special Tax revenue for CFD No. 2023-1 assuming all Building Permits have been issued (build-out) within CFD No. 2023-1, excluding any Assessor's Parcels for which the Special Tax Obligation has been previously prepaid.
4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid for

all applicable parcels and round that amount up to the nearest \$5,000 increment (the “Bond Redemption Amount”).

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the “Redemption Premium”).

6. Compute the Future Facilities Costs.

7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the “Future Facilities Prepayment Amount”).

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the expected redemption date for the Outstanding Bonds which, depending on the Indenture, may be as early as the next interest payment date, but the redemption date may be any date determined by the CFD Administrator as convenient and appropriate and permitted by the Indenture and does not have to be the next interest payment date.

9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Prepayment Amount and the Prepayment Administrative Fees from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

10. Subtract the amount computed in paragraph 9 from the amount computed in paragraph 8 (the “Defeasance Amount”).

11. Calculate the administrative fees and expenses of CFD No. 2023-1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2023-1, and the costs of recording any notices to evidence the prepayment and the redemption (the “Prepayment Administrative Fees”).

12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment calculation date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “Reserve Fund Credit”). No Reserve Fund Credit shall be granted if, after the Prepayment Amount is calculated, reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).

14. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “Prepayment Amount”).

15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12 and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2023-1.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2023-1 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2023-1 Bonds to be used with the next prepayment of CFD No. 2023-1 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

B. Partial Prepayment

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2023-1 that there has been a partial prepayment of the Special Tax Obligation and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

7. TERM OF SPECIAL TAX

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for a period not to exceed fifty (50) Fiscal Years commencing with Fiscal Year 2023-24, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on CFD No. 2023-1 bonds have been paid.

8. EXEMPTIONS

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, (v) Lower Income Households Welfare Exemption Property, and (vi) Assessor's Parcels of Developed Property classified as Non-Residential Property as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2023-1 to less than 26.81 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2023-1 to less than 26.81 Acres shall be classified as Provisional Property and will continue to be subject to the CFD No. 2023-1 Special Taxes accordingly. Tax exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

9. APPEALS

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than thirty-six (36) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation the CFD Administrator determines that an error has occurred, then the CFD Administrator shall take any of the following actions, in order of priority, in order to correct the error:

- (i) Amend the Special Tax levy on the landowner's Assessor's Parcel(s) for the current Fiscal Year prior to the payment date,
- (ii) Require the CFD to reimburse the landowner for the amount of the overpayment to the extent of available CFD funds, or
- (iii) Grant a credit against, eliminate or reduce the future Special Taxes on the landowner's Assessor's Parcel(s) in the amount of the overpayment.

If following such consultation and action by the CFD Administrator the landowner believes such error still exists, such person may file a written notice of appeal with the City Council. Upon the receipt of such notice, the City Council or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. If the City Council or designee determines an error still exists, the CFD Administrator shall take any of the actions described as (i), (ii) and (iii) above, in order of priority, in order to correct the error.

The City Council or designee thereof shall interpret this Rate and Method of Apportionment of Special Tax for purposes of clarifying any ambiguities and make determinations relative to the administration of the Special Tax and any landowner appeals. The decision of the City Council or designee shall be final.
