Dear Members of the Planning Commission,

My name is Aimee Henriquez. I live off Blossom Road in Perris. I spoke with Alan Robertson about the Ethanac Travel Center project and it is something I'm really in favor of. Having a gas station and restaurants at the location would benefit me and many others.

The new gas station is in a great location for me to fill up my car on the way to or from my job and get a quick meal, which would make my life a lot easier. I believe that others in the community would use it a lot too.

The project will bring jobs to the city, which would be good for Perris. Hopefully, this project moves forward.

Thank you,
Sincerely,
Aimee Henriquez
