Present Land Use/Zoning/General Plan Designation:

Vacant // Zoning: Business Professional Office (BPO) & Potential Basin Area// GP: PVCCSP - Perris Valley Commerce Center SP

Project Description: *(please use a separate page if necessary)*

The proposed Project would be implemented on approximately 25.6 gross acres (24.9 net acres), located northeast of the Interstate 215 (I-215)/Placentia Avenue interchange, between Walnut Avenue to the north and Placentia Avenue to the south. The Project site comprises two parcels (APNs 305-050-051 and 305-050-055) bisected by [I-215] E. Frontage Road. The Project proposes development of two currently vacant parcels with two separate but complementary uses providing rental, lease, sale, and maintenance of heavy equipment and commercial trailers. The Project Development Concept apportions the Project site into 3 lots:
 • Lot 1 would be developed with a 25,750-square-foot building, an employee parking area with 80 stalls, and landscaping. The proposed building would accommodate vehicle/heavy equipment maintenance activities and supporting office/administrative functions.
 • Lot 2 would be developed with a 14,139-square-foot building, heavy equipment and trailer holding/display lot, an employee parking area with 15 stalls, and landscaping. The proposed building would accommodate vehicle/heavy equipment maintenance activities and supporting administrative functions.
 • Lot 3 would be developed as a heavy equipment/trailer display lot that would support operations of the Lot 2 tenant.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
