Subject: SAVE Skydive Perris
Date: Monday, October 30, 2023 2:02:31 PM

Mr. Perez,

It has recently been brought to my attention that the City of Perris is considering approving more warehouses to be built near the Perris Airport. My family are longtime residents of Perris and look forward to watching skydiving from our world famous airport! We have been here since the early 1940's. Our city/community have so few attractions that draw tourists that I find it very hard to believe that planners would even consider jeopardizing the existence of this historic site. The City even advertises and showcases the Perris Airport on their website as well as symbols on the 215 freeway with skydivers! Do they plan to remove all of this too? Please don't allow anyone warehouses in our community!!

Thank you for your consideration.
