Subject: Development around Skydive Perris
Date: Wednesday, November 15, 2023 5:56:56 PM

Dear Nathan Perez,

Word has gotten around in the international skydiving community that the City of Perris is considering developing the area next to Skydive Perris.

I urge you to take seriously the concerns of Skydive Perris regarding the safety implications of the planned development.

Many cities have warehouses but only a handful of places get to have a world class skydiving resort like Perris.

Best regards,
Joonas Honkala, Finland
