Subject: Community concerns for Perris airport
Date: Tuesday, November 14, 2023 1:46:43 PM

Hi Nathan,

I'm writing to share my concerns regarding the construction and development of land adjacent to Perris which may cause unsafe / turbulent conditions more frequently for Perris airport and subsequently Perris skydive. Perris skydive and airport is a community and has a reputation for being the best in the west, evidenced by the plethora of global travelers that come to Perris specifically to train and learn. Global military orgs could go anywhere but the Canadian, French, German, and our own military choose to come to Perris. The developments would deteriorate Perris airport and skydive in safety and efficacy, leading to overall decline of the business and economy that Perris airport and skydive bring in. Please consider that the negative impacts of deteriorating (if I may be so bold) Perris's main site of interest outweigh the benefits of warehouses in the area. Thanks for listening!

Best,
Sydney Liu
