Subject: Community Concerns for Perris Valley Airport
Date: Friday, November 10, 2023 3:37:51 PM

Dear Mr. Nathan Perez,

I trust this letter finds you well. I am reaching out to you with heartfelt concerns regarding the potential repercussions on Perris Valley Airport and its surrounding community due to the proposed development by significant investors.

Perris Valley Airport is more than just a location; it's a thriving hub where aviation soars and our community flourishes. At the heart of this vibrancy is the exhilarating world of skydiving, an activity that not only captivates the adventurous spirit but also contributes significantly to the economic and cultural fabric of our community.

The prospect of colossal warehouses and a surge in semi-truck traffic on the west side of the airport is not just alarming from a safety perspective but also threatens the very essence of Perris Valley Airport as a premier destination for skydiving enthusiasts. The dynamic events and competitions hosted at the dropzone bring a unique energy to our community, attracting visitors from near and far.

The proposed project, if greenlit, would not only jeopardize the safety of the airport but also undermine the vital role it plays in promoting skydiving excellence. The years-long timeline and road expansions associated with the project highlight the gravity of the situation, necessitating immediate attention from our community.

I am confident that the City of Perris, which has been supportive of the airport in the past, will continue to champion the cause of preserving this vital asset. Perris Valley Airport is not just an airstrip; it's a launchpad for dreams and a cornerstone of the thriving skydiving community that brings business, excitement, and a unique identity to our city.

I urge you to consider the integral role that skydiving plays in our community's identity and to advocate for the preservation of Perris Valley Airport during the decision-making process. Let us work together to ensure that this beacon of skydiving excellence continues to soar, bringing joy, business, and a sense of pride to our community.

Thank you for your time and consideration. I eagerly anticipate a positive resolution that upholds the spirit of Perris Valley Airport and its invaluable contributions to our community.

Sincerely,

Giovanna Natel Robison
