Subject: Perris Valley Airport Concerns
Date: Friday, November 10, 2023 10:22:27 AM

Hello Nathan,

I'm writing you on behalf of the Perris Valley Airport and Skydive Perris. I am a licensed skydiver who travels from LA to Perris nearly every weekend. I did my training at Skydive Perris, and I've found a welcoming community there that truly enhances my life.

I know you must look out for the economic well-being of Perris, all I ask is that you also look out for the PVA and the wonderful community that has been built there over the many years. I'm certain that there are compromises and considerations that can be made to accommodate both the economic growth of the area and the continued safety and operation of the PVA in general and Skydive Perris specifically.

Thank you for your consideration,

Brandon Sylve
