Subject: SAVE SKYDIVE PERRIS

Good morning City Officials!

As a longtime resident of Perris, it troubles me to hear that our AMAZING skydive facility is in jeopardy because of more warehouses. Are there not enough in Perris already? Once you cross Placentia Ave. it is almost exclusively warehouses. Skydive Perris is arguably the most attractive attraction in Perris. Allowing these developers to obstruct their runway space would be a detrimental mistake on your part. Your residents are calling upon you to protect the few things there are to love about Perris. STOP INDUSTRIALIZING PERRIS.

SAVE SKYDIVE PERRIS
SAVE SKYDIVE PERRIS
SAVE SKYDIVE PERRIS

SAVE SKYDIVE PERRIS
SAVE SKYDIVE PERRIS

In conclusion, SAVE SKYDIVE PERRIS. Do better for Perris or get out.
