Amendment No.	Case No.	Details of Amendment	Approval Date
1	12-04-0010	The purpose of Amendment No. 1 is to modify Table 12.0-1, Land Use Restrictions to clarify allowable industrial land uses particularly related to storage in Airport Potential Zone 1 (APZ-1).	9/25/2012 Ordinance #1288
2	11-12-0005	The purpose of Amendment No. 2 is to update all graphics to reflect the street vacation of Nance and Markham Streets between Redlands Avenue and the Perris Valley Storm Channel. This amendment also reflects the street vacation and general plan amendment (GPA 12-02-0001) to the circulation element for the removal of Harley Knox Blvd. from Redland Avenue to Perris Valley Storm Channel.	11/27/2012 Resolution #4538
3	22-05250	The purpose of Amendment No. 3 is to update the land use designations to reflect a unified land use design and viable mixture of uses. This Amendment updates the former mix of Residential, Multiple Business Use (MBU), Commercial, Recreation, Park, and Drainage/Detention to a revised arrangement of MBU, Commercial, and Water Quality Management Plan (WQMP) Drainage/Detention, as well as adds an MBU Overlay in the northwest portion of the Specific Plan area. Additionally, the boundaries of the Specific Plan area are adjusted to remove a portion from the southern part of the Specific Plan area and add a portion to the northern part of the Specific Plan area.	TBD
