To City Councilman Malcom Carmona,

I Am A Resident I Live in the city of Wildomar,
The Harvest Landing Project Is Something That The City Of Perris Really Needs.
This Project Not Only Will Bring Construction Jobs To The Area But Also Many Permanent
Jobs.

The City Desperately Needs A Sam's Club, Dicks Sporting Goods, Good Markets Like
Sprouts.

Buffalo Wild Wings, Olive Garden And And The First Pet Store For The City Petco.
Please Vote Yes On The Harvest Landing.

Thank You,
