## Submittal Requirements Pre-Manufactured Metal Patio Cover and Enclosure

- A plot plan showing the location on the property, also indicate the set-backs to the property lines and the exterior dimensions of the new structure.
- A floor plan drawn to 1/4" scale. The floor plan must show the location and sizes of all **existing and new** doors, windows, landings at doors, electrical outlets, and lighting fixtures.
- A current **ICC ES Report** and the plans that are identified in that report.
- **The EXACT construction details that apply to the specific project, for each proposed system must be either circled or otherwise clearly identified on the plans for each submittal.**
- A current ICC ES Report or other approved agency report for the roof and wall panels.
- A current ICC ES Report for concrete anchors as stated in patio cover ICC ES Report.

**Permit applications, plans, and required documents can be submitted through the city's permits portal.**

**Visit [www.cityofperris.org](http://www.cityofperris.org) for more information or [click here](#) to access the permits portal.**
