

ORDINANCE NUMBER 1282

A SECOND READING OF ORDINANCE NUMBER 1282 OF THE CITY OF CITY OF PERRIS EXTENDING TEMPORARY TUMF REDUCTION OF THE WESTERN RIVERSIDE COUNTY TRANSPORTATION MITIGATION (TUMF) FEE PROGRAM

The City Council of the City of Perris (“City”) ordains as follows:

Section 1. Title.

This Ordinance shall be known as the “Western Riverside County Transportation Uniform Mitigation Fee Temporary Fee Reduction Ordinance of 2011” (“Ordinance”).

Section 2. Findings.

A. City Council reaffirms the continuing impact of the economic recession on development and construction in Western Riverside County, as originally discussed in the Addendum to the 2009 Nexus Study, attached, and incorporated as part of the 2009 Nexus Study. Therefore, the City Council finds that a one-year extension of the temporary fifty percent (50%) TUMF fee will continue to encourage economic development by reducing the overall cost of development. The City Council further understands that the same adjustment of the entire TUMF Program will be necessary to assure that each development continues to contribute a fair share of the total Program costs without unduly burdening later projects to make up the TUMF revenues that would be effectively forfeited during the extended reduction period. The City Council finds that a one-year extension will result in a limited decrease in TUMF revenues and will not have a material effect on the ability to fulfill the purposes of the TUMF program or the ability to make the findings recited herein and in Ordinance No.1281.

B. The City Council also understands that any long term continuation of the TUMF reduction period can jeopardize the applicability of the Nexus Study and the integrity of the TUMF Program, and the ability to deliver currently programmed and future planned projects. To protect the integrity of the TUMF Program, this temporary fee reduction will not be permitted to exceed a maximum cap of \$20 million for all uncollected TUMF revenues resulting from the fee reduction period since its original implementation.

Section 3. Temporary Fee Reduction Period.

Notwithstanding Section 4A of Ordinance No. 1114 and 1186 and the adopted TUMF schedule, the City Council may, by separate resolution, adopt a reduced TUMF fee schedule applicable only through December 31, 2012 or until such time the City receives written notice from the WRCOG Executive Director that the \$20 million aggregate cap in uncollected TUMF revenues has been reached, whichever occurs earlier. The TUMF may be so reduced by fifty percent (50%) of fees established in the schedule adopted pursuant to Section 4A of Ordinance 1114 and 1186. If fees are reduced, all other sections of Ordinance No.1114 and 1186 shall still be in effect during the temporary fee reduction period. After December 31, 2012, the regular TUMF schedule, as adopted by the City Council and revised from time to time pursuant to Section 4A of Ordinance 1114 and 1186, shall automatically be reinstated without any further action required. By extending this fee reduction period, the City Council understands that it will

have an obligation to backfill uncollected TUMF revenue based on the 50% fee reduction through recommended specific, effective cost savings and repayment methods as determined by WRCOG in coordination with the individual Zone Committees. This action in no manner relieves the City Council of any past and future program funding backfill obligations previously required before this action. The City Council understands and hereby agrees to make monthly reports to WRCOG, in a format determined by WRCOG in its sole discretion, of the outstanding amount of uncollected TUMF revenue resulting from the 50% temporary fee reduction since its original implementation.

Section 4. Effect.

No provisions of this Ordinance shall entitle any person who has already paid the TUMF to receive a refund, credit, or reimbursement of such payment. This Ordinance does not create any new TUMF.

Section 5. Severability.

If any one or more of the terms, provisions or sections of this Ordinance shall to any extent be judged invalid, unenforceable and/or voidable for any reason whatsoever by a court of competent jurisdiction, then each and all of the remaining terms, provisions and sections of this Ordinance shall not be affected thereby and shall be valid and enforceable.

Section 6. Ordinance No. 1282 .

If, for whatever reason, this Ordinance is declared invalid or unenforceable by a court of competent jurisdiction, Ordinance No.1114 and 1186 and all other related ordinances and polices shall remain in full force and effect.

Section 7. Effective Date.

This Ordinance shall take effect thirty (30) days after its adoption.

MOVED AND PASSED upon this 13th day of December, 2011.
